Upcoming Primary Election

MARK YOUR CALENDARS. 2022 Primary Election Day is August 23rd and the deadline to register or change your party is July 25th. Florida is a "closed primary" state, meaning only the voters registered within a political party may vote in that party's Primary Election. However, if all the candidates for an office have the same party affiliation and the winner of the Primary Election will not face any opposition in the General Election, then a Universal Primary is held and all registered voters can vote for any of the candidates for that office in the Primary Election.
